NEFES ULTRA

8 MAY 2027 • DAĞYENİCE / BURSA

PARTICIPANT WAIVER & CONSENT FORM

1. I accept all provisions of this waiver and undertake not to bring legal action concerning any of them. I register individually for the Nefes Ultra race and confirm my acceptance of the participation conditions.

2. I undertake to comply with all rules and safety measures established by the organizer and acknowledge my obligation to follow the instructions of the organizer, race staff and marshals.

3. The organizer may postpone or cancel the race if conditions on race day are deemed unsafe. I accept that no refund will be made if the race is postponed or cancelled due to circumstances beyond the organizer's control, including natural disasters, terrorism, states of emergency, strikes, riots, war, epidemics or decisions by local authorities.

4. I accept full responsibility for my choice of course and agree that the organizer cannot be held responsible for that choice or for injuries arising during race-related activities.

5. I confirm that I have decided to participate believing my health and physical fitness to be adequate. I agree not to hold the organizer responsible for health problems arising during the race. Anyone advised by a doctor to restrict physical activity, or for whom aerobic exertion may be unsafe, is encouraged to consult their doctor.

6. I accept that medical personnel have authority to make decisions concerning my care. The organizer may refer me to a medical facility when necessary, and I accept responsibility for all resulting costs.

7. I acknowledge the organizer's right to disqualify me if I obstruct the race or endanger other participants. I undertake not to abandon a participant who needs assistance.

8. I agree not to hold the organizer liable for material or non-material losses I may suffer during the race and accept full responsibility for damage I may cause to third parties or their property.

9. I undertake to carry all mandatory equipment at all times and consent to equipment checks. I will respect the environment and refrain from damaging the natural surroundings.

10. I acknowledge that, because the event takes place on rugged terrain, medical teams may need additional time to reach locations outside designated checkpoints.

11. I acknowledge that ambulances are stationed at the race start and finish areas.

12. I declare and accept that I grant the organizer the rights to use all visual and audio materials relating to the event.

13. I declare that I do not use doping substances. By signing this document, on behalf of myself, my heirs, administrators and personal and legal representatives, I agree not to hold the organizers, their managers, partners or event personnel responsible for any injury, loss or damage occurring during the race or related activities before or after it. I confirm that I have read and accepted the race rules, have no medical condition preventing participation and am physically fit to compete.

14. I expressly consent, within the scope of my personal rights, to the filming, recording, copying, processing, publication and sharing of photographs, videos and audio recordings of me made in connection with the event.

15. I accept that these images and recordings may, without limitation as to time or scope, be used, processed, reproduced, distributed and transferred to third parties by Mersem Tekstil San. ve Tic. Ltd. Şti., its current or future group companies, affiliates, subsidiaries, parent companies, business partners, service providers, agencies, suppliers, representatives and authorized persons or organizations. Such use may include promotion, marketing, advertising, sponsorship, public relations and communications and other commercial or corporate activities, in Türkiye or abroad, across physical and digital media (including Instagram, X, YouTube, TikTok, websites, audiovisual media and print publications). I waive any claim for payment or other rights in return for such use and acknowledge that this permission is unlimited in duration and geographic scope.

16. After the event, the Faceonix facial recognition application will be used for photographs. Participants may access their own photographs by providing consent for biometric data processing within the application.
